A MESSAGE FROM THE PREMIER

Dear Friends,

Welcome to the 2021 Liberal Party of Newfoundland and Labrador AGM & Convention.

Thank you to everyone who has worked behind the scenes to put off our virtual AGM & Convention. This is the first time we have gathered as a party since the leadership election, which included our first-ever virtual AGM & Convention with over 21,000 voters for our party's next leader and 1,000 registered attendees - the largest AGM in the history of our party.

Your Liberal government continues working tirelessly for you, your families, and for all Newfoundlanders and Labradorians.

We have seen the toll the COVID-19 pandemic has taken on our province and beyond, but we remain steadfast in our approach to keep the public safe. Our vaccination efforts have proven a huge success, and I encourage everyone to get vaccinated.

I am looking forward to connecting with you, the members and supporters of our party, and to hear more about what you want to see from your government as we continue building a brighter future.

Your commitment to the Liberal Party of Newfoundland and Labrador is invaluable, and I am so honoured to be your leader and serve as the 14th Premier with such a dedicated, high-calibre caucus.

Thank you and enjoy the convention!

Sincerely,

Hon. Dr. Andrew Furey
Premier | Newfoundland and Labrador
Leader | Liberal Party of Newfoundland and Labrador

A MESSAGE FROM THE PRESIDENT

Dear Fellow Liberals,

Our 2021 convention will be an exciting opportunity to connect and engage with members and supporters across the Province as we work together to keep Newfoundland and Labrador moving forward towards a brighter future.

Much has happened since August 2020 when members and supporters of our Party put their faith and trust in Premier Andrew Furey to be our new leader and to return us to government in the 2021 General Election. Our Liberal government has been working diligently and tirelessly to provide the necessary investments and modernization to government that will help this province in the years ahead.

As Party President, I want to thank each and every one of you for your unwavering dedication and support. I also want to thank all members of the Executive Board with whom I have had the pleasure and honour of working with this past year. The Board is comprised of a team of volunteers from across the Province who are passionate about promoting Liberal values and improving Newfoundland and Labrador's future. They include community leaders and professionals who have volunteered their time to provide oversight and guidance to the Party in organizational, financial and strategic matters. I also wish to personally thank Premier Furey who has not only moved our province forward, but has been instrumental in engaging with members of the Party, District Presidents, and the Board during his time as Leader.

I also would like to take this opportunity to welcome the incoming members of the Board who I am looking forward to working with in the months ahead. We have much to do in organizing our district associations, engaging with our members, and ensuring that our party remains strong and progressive.

To our members and supporters, thank you for all you do to strengthen and vitalize the Liberal Party. Your dedication and contributions are deeply appreciated. I look forward to seeing you on November 6th.

Megan Reynolds
President | Liberal Party of Newfoundland and Labrador

J. AIDAN HENNEBURY AWARD

J. Aidan Hennebury, for whom the J. Aidan Hennebury Awards is named, was the essence of what a Liberal Party volunteer should be. Married to Isabelle, Aidan was a devoted husband and father to his two children, Beth and Mark.

Educated at St. Bonaventure's College in St. John's, he went on to St. Mary's University in Halifax, and eventually to Dalhousie University, graduating with his law degree. He articulated with the firm of Halley, Hickman, Hunt where he worked for a number of years before starting a firm with Dave Martin and Norm Whalen.

The test of dedication to a political party comes not in the sunshine days of holding office, but in the stamina, intensity and resolve necessary to preserve in the dog days of opposition. To those who did not know Aidan, his natural reticence might have obscured the presence of these qualities. However, just as they shone through in the last days and weeks of his life, they were manifested through his life in his willingness to contribute to the Party.

Aidan served two terms as Vice-President of the Liberal Association of Newfoundland and Labrador, and carried the Liberal banner in the 1980 federal election against John Crosbie in St. John's. However, his real love and interest was in organizing and campaign management.

Many of you will not remember those days in opposition when just a handful of dedicated Liberals worked tirelessly to keep this Party together. They tried to raise funds when few were eager to contribute and to convince good people to carry the Liberal banner when the possibility of success was unlikely. These individuals organized and ran hard campaigns against impossible odds, to keep the Party ready when the time came to form the provincial government. All these efforts paid off when a small group of dedicated Liberals, led by Aidan, convinced Clyde Wells to come back and lead the Party.

Aidan worked long, hard, honestly and well. He also had a lot of fun with the Liberal Party. We will best remember and give heartfelt thanks to Aidan by our celebration at this AGM Convention.

J. Aidan Hennebury passed away on July 29, 1988, but he will live forever in Liberal Party volunteers.

YOUNG LIBERAL OF THE YEAR AWARD

Young Liberals represent not just our future, but they also strengthen the work and progress we achieve as a provincial Party. With their input, we are inspired to believe and achieve just as they do each and every day on behalf of the Liberal Party. The strong youth wing in our Party is a testament to their diligence, activism, and the desire to provide a voice and a role for youth in the political process in Newfoundland and Labrador.

Our youth empower Liberalism in this province with their optimism and tireless work ethic and they carry the flame of Liberalism into the future as they build on previous Liberal achievements.

We are very proud to have them as a dynamic partner and thank them immensely for all that they do to enhance our democratic framework, strengthen the Liberal team and keep us on the path forward to success.

Premier Joseph Smallwood presented the inaugural Young Liberal of the Year Award in 1964.
