

**CONSTITUTION
LIBERAL PARTY
OF
NEWFOUNDLAND AND LABRADOR**

New Constitution & By-Laws as of November 2022

PREAMBLE

The Liberal Party of Newfoundland and Labrador is an association of Registered Liberals who share certain principles. The Liberal Party of Newfoundland and Labrador strives to elect candidates to the House of Assembly for the purpose of advancing these principles across Newfoundland and Labrador.

The Liberal Party of Newfoundland and Labrador believes that each individual shall be treated with dignity. It strives for an inclusive society in which every individual is valued equally under the law and has an equal opportunity to reach their full potential. A fundamental core Liberal value is a fair balance between respect for individual rights and freedoms and caring for the needs of each individual and of society as a whole.

Liberals take pride in having implemented fundamental changes in Canada including the Charter of Rights and Freedoms and universal Health Care. But for Liberals the focus is not on such profound achievements but rather a future of continuous renewal and improvement including not just legislation and essential services such as education and healthcare but also renewal of the democratic process itself.

Liberals are committed to openness and transparency in government and the opportunity for all to participate in the political process.

Liberals respectfully acknowledge the Province of Newfoundland and Labrador as the ancestral homelands of many diverse populations of Indigenous people who have contributed to 9,000 years of history including the Beothuk on the Island of Newfoundland. Today, this province is home to diverse populations of Indigenous and other people. Liberals also acknowledge, with respect, the diverse histories and cultures of the Mi'kmaq, Innu, and Inuit.
